Article title (Max 75 characters)

School Improvement Training and Events for Schools

Summary (Max 300 characters)

Please see the flyer attached contains details of training and events from the School Improvement Team suitable for Headteachers, Senior Leaders, Teachers, TAs, Governors and other members of your school team.

Main article text

The School Improvement Team have a wide range of training events for all members of the school team from BESST, BASL and SIS. On the flyer attached we have the details of events coming soon, some are free to attend and some have a cost, just click on the links to book.

We do our utmost to provide training and information on topics that have been suggested by Headteachers or Governors, that reflect the local and national requirements. The training is run by the experienced staff in Bucks along with highly respected educational practitioners.

An example of events coming up are:

17.09.24 Priorities Briefing for Chairs of Governors and Clerks

20.09.24 Friday Forum

04.10.24 BASL Seminar - Joe Sparks

Please share this flyer with colleagues, you may print as an A3 poster for the staffroom wall or hand out as a flyer.

For further information regarding training please visit the Schoolsweb pages attached or contact the team.
